For the record, Mr. Butler has been informed that Sabina Paradia passed away June 30, 2007, and we're in the process of having an estate appointed for her, and Mr. Butler and myself agreed notwithstanding that there is no estate representation yet appointed by the Court, we will go forward with the deposition discovery in this case as if an estate had been set up.

M A R Y M I C H E L L E M O O R E,
having been first duly sworn before a Notary Public of the State of New York, was examined and testified as follows:

1 Moore

2 Q. Do you recall who any of those mentors
3 were?

4 A. They changed every two weeks, so no.

5 Q. Did you ever meet any of them?

6 A. No, although I did meet two heads of
7 the program. Elaine -- my husband may
8 remember the last name. I met the two heads
9 of the program.

10 Q. One at Presbyterian and one at New
11 York?

12 A. I believe they worked as a team to
13 cover both hospitals. I don't recall.

14 Q. Approximately how many people were in
15 that nutrition internship?

16 A. I don't know. I would think no more
17 than 20, but I don't know.

18 Q. That internship lasted from January to
19 June of '05?

20 A. Yes.

21 MR. KAPLEN: '06.

22 Q. Sorry, '06. I misspoke.

23 A. I mis-answered.

24 Q. Okay.

25 A. The internship was a year long.

1 Moore

2 Q. From January of '06 to January of '07.

3 During that period, did you contribute
4 to her support? When I say you, I mean you
5 and your husband.

6 A. Yes.

7 Q. Approximately how much did you
8 contribute to her support during that period,
9 say by months, if you will?

10 A. I think about 600 a month, although I
11 don't recall exactly. At least 600 a month,
12 sometimes more, if special things were coming
13 up.

14 Q. What would special things be, for
15 example?

16 A. Special activities she wanted to
17 participate in.

18 Q. Such as?

19 A. Social activities. Clothing items
20 that she would need that she did not already
21 own.

22 Q. During that period from January of '06
23 to January of '07, did she return to
24 Danville?

25 A. I believe so, although I don't recall

1 Moore

2 exactly when.

3 Q. Was it more than once?

4 A. I don't recall. It would be perhaps
5 once or twice, but I don't remember the
6 specifics.

7 Q. On those one or two times, how long
8 would she stay in Danville? I'm now speaking
9 of the period actually of 2006.

10 A. It would not have been more than a
11 week, and I don't recall the specifics on
12 that.

13 Q. The internship she was on during that
14 year, was there a spring or summer break?

15 A. I believe there was a break. I don't
16 know. I don't recall when it was, and I
17 don't recall if she came home. I don't
18 remember.

19 Q. Other than attending classes and
20 whatever they had in the internship program,
21 did she have any other job?

22 A. Yes. She catered. She worked with a
23 catering company affiliated with the
24 hospital, and it was the banquet room located
25 right across the street from her room so it

1 Moore

2 was a very convenient job for her to have.

3 Q. Do you recall the name of the catering
4 service? Was it a hospital catering service?

5 A. Yes, it catered meetings and seminars
6 for physicians.

7 Q. At the Cornell branch?

8 A. Yes, I believe so.

9 Q. Did Sabina herself make any payment
10 toward her student loans?

11 A. Very few, if any, I imagine.

12 Q. So whatever was paid for the most part
13 would have been paid by you or by your
14 husband?

15 A. Yes.

16 Q. During that period, did Sabina ever
17 send you or your husband any money?

18 A. Good heavens, no.

19 Q. During that period, did Sabina ever
20 tell you anything about any of her social
21 friends?

22 A. Of course. Sometimes on a daily
23 basis.

24 Q. By phone?

25 A. Yes.

1 Moore

2 nutrition?

3 A. Yes. She wanted to find a job. She
4 thought it would properly have something to
5 do with obstetrics or pediatrics. She had
6 not decided exactly what kind of job, but she
7 felt she wanted to work with children in some
8 way.

9 Q. In the nutritional field?

10 A. Yes.

11 Q. Did she ever advise you that she made
12 any application for any job?

13 A. She was offered two jobs while she was
14 an intern.

15 Q. What jobs were they?

16 A. Nutrition Department at two New York
17 hospitals. I don't recall the names.
18 Montefiore was one, I believe, and I forget
19 the name of the other one.

20 I remember Montefiore because it was
21 an unusual name. She turned both jobs down
22 because she felt that she would be -- she
23 felt that the experience she gained as a
24 fellow would make her a much stronger
25 nutritionist.

1 Moore

2 Q. Those jobs were offered after her
3 internship?

4 A. Either after or during the last month
5 of the internship.

6 Q. With regard to the fellowship, was
7 that on a competitive basis in terms of
8 testing?

9 A. Yes. I don't think so much testing I
10 think as overall aptitude, work ethic, and it
11 relied -- winning the fellowship was quite a
12 feather in her cap.

13 Q. Did she apply for a fellowship
14 anywhere other than New York hospitals?

15 A. I don't believe so.

16 Q. As an intern, was she paid anything?

17 A. No.

18 Q. Did the fellowship include a stipend?

19 A. A small one. She got a free room,
20 which I think was worth perhaps \$200 a month.
21 Then a small, I think weekly stipend,
22 something nominal. The money she was to
23 receive as a fellow was of insignificant
24 size. I fully expected to continue to send
25 money.
